DATA PROTECTION

Any information you give to us will be held securely and in accordance with the rules on data protection. We will treat personal details as private and confidential and safeguard them. We will not disclose them to anyone unconnected with the Charity Commission unless you have consented to their release, or in certain circumstances where:

- we are **legally** obliged to do so;
- it is **necessary** for the proper discharge of our statutory functions;
- disclosure is **necessary** to comply with our function as regulator of charities and is in the public interest.

We will ensure that any disclosure made for this purpose is proportionate, considers your right to privacy and is dealt with fairly and lawfully in accordance with the Data Protection Principles of the Data Protection Act.

The Data Protection Act 1998 regulates the use of 'personal data', which is essentially any information, whether kept in computer or paper files, about identifiable living individuals. As a 'data controller' under the Act, we must comply with its requirements.

REPORTING SERIOUS INCIDENTS

Incidents that cause a significant loss of funds or pose serious risks to a charity's beneficiaries, resources or reputation should be reported to the Commission as soon as possible.

If any of the serious incidents listed below have occurred since your last return, you should notify the Commission immediately if you have not already done so.

SERIOUS INCIDENTS

- Significant fraud or theft or loss of funds
- Significant sums of money or other property donated to the charity from an unknown or unverified source
- The charity (including individual staff or trustees or both) has a known or alleged link to a proscribed organisation or to terrorist or other unlawful activities.
- A person disqualified from acting as a trustee has been or is currently acting as a trustee of the charity
- The charity does not have a policy for safeguarding its vulnerable beneficiaries (e.g. children and young people, people with disabilities and the elderly/old people).
- The charity has no vetting procedure to ensure that a trustee or member of staff is eligible to act in the position he or she is being appointed to
- Beneficiaries have been or are suspected of being abused or mistreated
- The charity has been subject to a criminal investigation or an investigation by another regulator or agency; or sanctions have been imposed or concerns raised by another regulator or agency (e.g. the Health and Safety Executive, Ofsted).

When you report a serious incident we will generally ask you for further details. You may not have all of these but please be prepared to provide as much relevant information as possible about the incident. We are mainly concerned about criminal or unlawful activity, or very serious incidents about a charity that may affect its funds, property, beneficiaries or reputation. Some of the incidents listed may not actually be criminal, but do suggest risks of potential criminal activity or other risks which, if they became reality, would cause serious harm to the charity.

LEGAL OBLIGATION

Trustees must provide information about serious incidents as part of the charity's Annual Return. Failure to do so will be regarded as a breach of legal requirements.
